Other Key Terms and questions	<p>See Terms of Service Agreement for a full listing of fees, deposit policy, and other terms.</p>			
Disclosure Chart	Type of Product	Fixed Rate		
	Contract Term	24 Months		
	Do I have a termination fee or any fees associated with terminating service?	Yes. \$20 multiplied by the number of months remaining in your current Fixed Rate term, determined at the time of termination. See Section 8.1 Obligations (b) of the Terms of Service Agreement.		
	Can my price change during contract period?	Yes		
	If my price can change, how will it change, and by how much?	The price applied in the first billing cycle may be different from the price in this EFL if there are changes in TDU charges; changes to the Electric Reliability Council of Texas or Texas Regional Entity administrative fees charged to loads; or changes resulting from federal, state or local laws or regulatory actions that impose new or modified fees or costs that are outside our control.		
	Please see Terms of Service Agreement Sections: (2.7) Additional			

	What other fees may I be charged?	Pass Through Charges or Credits; (5.1) Billing, Payment, and Interest, including a Late Fee (5%), a \$30.00 NSF fee; and (5.2) Disconnection of Service - amounts vary by TDU.
	Is this a pre-pay or pay in advance product?	No
	Does the REP purchase excess distributed renewable generation?	No
	Renewable Content:	This product is 100% renewable. If you have a SunEagle Product, a portion of your energy will be backed by RECs generated at one or more community solar projects.
	The statewide average for renewable content is:	19.0%
